

COVID-19 HOURS AND PROCEDURES

Beginning Monday, March 23, 2020, Advocacy Outreach will be open regular hours for serving our clients via phone, fax and email.

Our facilities, including our day shelter, will be open by appointment only so that we may do our best to keep our facilities properly disinfected for our clients and staff.

We value your donations; besides helping our clients directly, they allow us to draw a matched value in federal funds to help with rental assistance to prevent homelessness. However, unfortunately, Advocacy Outreach CANNOT accept donations at this time and will NOT open the free thrift store to the public until further notice. We can accept donations of **disinfecting cleaning supplies and paper products, ie toilet paper, cups, paper towels**. When we are able to accept donations of household items again we will be sure to let everyone know! If you can keep your things until we are able to accept them, we appreciate it. Thank you.
